

Bethesda Big Train

2021 Base Ball and Holiday Auction

WANTED: EVENT SPONSORS & SUPPORTERS

Since 1999, our **Big Train Base Ball & Holiday Auction** has been an important opportunity to bring the Big Train Family together in the off season, celebrate our victories and our service to the community, and ensure a strong financial foundation to support Big Train baseball.

On **Saturday November 13** at 4:30 p.m., we will hold an in person event at the Davis Family Picnic Pavilion at Shirley Povich Field. **Sculptor Toby Mendez**, who turned the Heroes of Birdland into bronze at Camden Yards, will be there to talk about his newest work — “**Shirley & Walter**.” This fabulous sculpture of journalist Shirley Povich interviewing Walter Johnson will be unveiled just one week before.

As a precaution in the age of covid, the Saturday November 13 event will be a ticketed event limited to 100 people. Masks must be worn except when actively eating or drinking.

Tickets will be available to sponsors contributing \$75 or more. Those attending the November 13 Big Train event will be among the very first to have an opportunity to be photographed with the new sculpture and meet the artist who created it.

On **Sunday December 5** from 7 to 8 p.m., we will hold a virtual event open to all through bigtrain.tv featuring ESPN's **Tim Kurkjian** presenting his annual assessment of the World Series and the MLB Season.

Each session will include an online auction. Do your holiday shopping without having to worry about the global supply chain.
