

Host Family / Player -- Topics for Discussion

Host Family/Player relationships differ from household to household. Within the first few days of a player's arrival, sit down together and discuss household rules and guidelines.

Here are some thoughts and suggestions:

- Use of laundry room (is the family ok with the washing machine running late at night or during the day)?
- Are there specific rules when the family is away?
- If there is a pool – what are the rules on use of the pool? Guests?
- Go over security, door, or garage codes.
- Do you have any events coming up or bedtimes that the player needs to be aware of?
- Players will arrive home late from games; discuss the best way they can enter.
- Are late night showers permissible?
- Guidelines for having guests over to the house?
- Guidelines for having guests overnight?
- If a player is of legal drinking age, discuss drinking policy in the house.
- Discuss any other issue of importance for the player and host family.
